EXECUTIVE ORDER 2019-23

An order of the Mayor of the City of Fort Mitchell, Kentucky, declaring an Emergency as a result of Median Barrier Wall Damage on Interstate I-75 between mile markers 187.6 and 187.7.

WHEREAS, Kentucky Revised Statute 39A.100 (2) states that upon written declaration that “the event or occurrence of any of the situations or events contemplated in KRS 39A.010, or 39A.020, which in the judgement of a local chief executive officer is of such severity or complexity as to require the exercise of extraordinary measures the mayor of a city... may declare in writing that an emergency exists,” and;

Whereas, the Office of the Mayor of the City of Fort Mitchell has been in communication with the Director of County Office of Homeland Security and Emergency Management and determined that an emergency declaration must take effect to facilitate immediate “Emergency Repairs” to the Median Barrier wall, on Interstate I-75 between mile markers 187.6 and 187.7. Mayor Hehman cites that due to the severe damage to the “Median Barrier Wall” resulting from several Commercial Motor Vehicle accidents, and the resulting effect on non-functional street lights in this section of the Interstate as well as the overpass creating an unsafe situation, the traveling public is placed in great risk of serious injury or death.

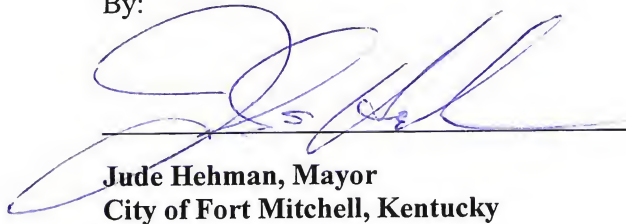

Whereas, Under the Executive Order issued by the Mayor of the City of Fort Mitchell, immediate emergency protective measures to replace the damaged and missing portions of the median barrier will occur in order to protect life and property of the traveling public.

Now, Therefore, Be it ordered this day that an Emergency shall be in effect in Fort Mitchell, KY until said order is reversed,

This order shall be in full force and effect upon signature.

This order is issued under the authority of the office of the Mayor of Fort Mitchell this 26th Day of October, 2019.

By:

Jude Hehman, Mayor
City of Fort Mitchell, Kentucky
